Autumn Term 1

Dear Parents/ Carers,

We have now had delivery of all of the new furniture and the classrooms are now all looking refreshed and very smart. Millie in Year 1 said "I love my new table!" The old tables and chairs are still available so please let the office know if you would be interested in giving any of them a new home.

Parents Evenings: This week we have held the first parents evening of the year, a chance to meet your child's new teacher and to discuss how your child has settled into their New Year group. I hope you have found these informative and useful as a starting point to supporting your child's learning at home.

Visitors: We had a visit this week from Neil Harvey who is our School Effectiveness Advisor. He was very complementary of the children's social behaviours and commented on how happily and cooperatively the children play together at playtime.

Reply slips: The post boxes for FOSA and the school office have been moved to the KS2 playground, please post reply slips and letters in these rather than passing them to your child's teacher via your child so that they can get straight to their destination without any possibility of getting lost on the way.

Curriculum enrichment: Next week Years 1, 2, 3 and 4 will all be going on trips and Oakhill will be sending teams to represent the school at the KS1 cross country and Year 5 and 6 football. I look forward to reporting back on how they got on next week.

Presentation Champion: Aliyah in Year 5's books are beautifully presented. The handwriting is neat and she clearly takes pride in her learning. Well done Aliyah, you are Oakhill's first Presentation Champion.

Year 6 – Eve for her focus and handwork in Maths

Gold Awards

Year 2 - Evie & Adam

Year 3 - Raphael & James Millar

Year Cinco - Harry

Year 6 - Bailey

Cooking: This week reception class have been baking bread and Year 4 have made scrambled egg. It was lovely to see that all of Year 4 tasted the egg even though a few had said they don't like it, when they tried it, it all went down a treat! Well done year 4 for trying something new.

Persuasive writing: Year 5 have been writing persuasive letters to encourage people to send aid to the Caribbean following hurricane Irma. Cai came to show me his letter and I was really impressed with the way he had thoughtfully structured his writing.

Cup of kindness: Congratulations to Floe Year 4 you were voted by your class because you are so helpful and kind to everyone.

Branches: As you may be aware, KS1 are given fruit everyday as part of the national Healthy Schools agenda. There is often fruit left over and it has been unfortunately going to waste. Thanks to Mrs Singh we are now donating the food to 'Branches' a local food bank.
