

OAKHILL PRIMARY SCHOOL

Mission Statement, Values and Aims

We are a learning first community dedicated to achieving the highest standards of education for all.

Learning is the Stuff of Life

We are building a safe, secure, caring and happy learning environment.

Everyone values and respects themselves and each other.

Children are encouraged to foster a sense of enquiry and develop questioning skills.

High expectations are held by all in both work and behaviour.

We believe in fostering positive relationships and developing partnerships between parents, staff and children.

We embrace diversity and promote equal opportunities and inclusion for all.

We encourage self-esteem and confidence in both independent and collaborative learning.

We promote the development of life skills, including healthy lifestyles.
