Spring Term 2

Dear Parents/Carers,

This week Year 2 have been to the Tower of London and were fantastic ambassadors for the school behaving beautifully, even when they had to change trains unexpectedly! Year 1 have consolidated their learning about the sea with a fun pirate day including performing a lovely class assembly with lots of enthusiasm. Well done Year 1.

The Scholastic Bookfair has now arrived and will be open tonight after school and Monday after school for families to come and purchase books. The school receives a percentage of the takings to spend on books for the school so if you were planning on buying books please buy them here!

Next Friday (18th) is Sport Relief Day. The Year 6 sports ambassadors and House Captains are organising an intra-school football tournament involving all pupils which will be taking place throughout the week. On the Friday children can come in sporty non-uniform and bring in a voluntary donation for Sport relief. An email was sent yesterday with more information on what to wear, each class will be representing a sport and will have their photo taken for an Oakhill Sport Relief calendar which will be on sale later in the school year. All proceeds from this will go to Sport Relief.

Also on the day the children will take part in a 'run, walk, cycle or scoot' event. This will involve them having a timed slot to do as many laps of the KS2 playground as they can in one of the above ways. If your child wishes to cycle or scoot they can bring their bike or scooter to school and leave it at the edge of the KS2 playground for the day.

There is a lot happening!

Have a good weekend.

Year 5 Kidzania Trip

Kidzania was great! It was just like being an adult. There were great jobs that adults would actually work at. It is massive and very realistic. The money you get paid with is called Kidzos and come in notes only, no coins so it doesn't get lost (very handy). Only children are allowed. NO ADULTS! You will need an adult with you but they can't do the activities. The second I walked into Kidzania I was mind blown!

Year 2 Tower of London Trip

We saw the Crown Jewels, it was really dark when we saw them. We went on a giant travelator! Arianna
A real knight taught us how to fight with a sword, he taught us how to bow. His sword was shiny and especially great.

Wade

We saw a guard I even thought that he was a statue, it was amazing! Gulsenem

A raven took Lacey's cupcake! Guven

Year 3B William Morris Trip

Year 3 Badgers had an artistic trip to the William Morris Gallery, where they learnt about William Morris, his life and his art. They had a go at producing a printed pattern using some of his ideas, and are now working on their own patterns, which they will print at school. They also played in the park: the museum was a house William Morris lived in, and the park was the garden.
