Summer Term 2

Dear Parents/ Carers,

As I write this I still have the cheers of the children ringing in my ears from watching the football match this afternoon! Part of the curriculum is to develop an understanding of British Values and it was a fantastic opportunity for the children to explore how being a part of supporting a national team can make us feel part of something bigger. I told the children that if they wanted to watch the match they would have to persuade me with reasons why they should be able to do so. The writing generated was excellent- especially from the boys who clearly have outstanding persuasive skills when motivated, which they transferred into fantastic pieces of written work. I was persuaded to allow the match to be shown in the classrooms and many parents and children stayed to watch the end at school.

The year 2 class assembly yesterday was really lovely to watch. The children are so enthusiastic about their learning; they are a credit to their families. They are ready for the challenges of moving to the juniors and every single child demonstrated confidence in speaking in front of a large audience, a daunting experience for anyone let alone at the age of 6 or 7!

Year 1 have completed their phonics checks and Y6 have FINALLY finished all of their end of year assessments.

We have had a few visitors to our school this week all of whom have commented on how polite the children are which is important to us here at Oakhill.

Reminder: School is closed to children next week on Thursday as the building is being used as a polling station for the referendum.

Have a lovely weekend and I hope all the Dads have a relaxing special day on Sunday.

Mrs Brandon

Interim Head of School
