Summer Term 1

Dear Parents/ Carers,

We have come to the end of what seems like a long half term! The children in all year groups are all very tired and deserve a restful break after all the assessments and exams that they have recently completed.

The first week back after the break promises to be an exciting one, we have Enterprise week and the Queen's 90th Birthday celebrations to look forward to.

Enterprise week

The purpose for Enterprise week is for children to learn more about how to manage money and to begin to understand marketing and profit. Thank you to Ms Chisholm who has provided resources for teachers to use from Barclays bank.

During the week there will be children leading dance classes and facilitating football shoot-outs and charging participants.

On Friday 10th June we will be off timetable and all children will have to opportunity to pay for activities led by children across the school. On this day we suggest that your child brings up to £3 in small change to school in a named envelope or purse so that they can pay to take part. All profits will be split between the classes for them to spend on items of their choice for their class.

Activities will include:

- Icing biscuits
- Bring and Buy sale (please donate any good quality toys/ games/ books that your child no longer wants for this stall) Please hand in donations at Oak Lodge- the old Nursery building- between 9 and 10am on Thursday 9th June. This will give the children time to sort and price the items before the sale on Friday.

Attendance - Summer 1

Week 4: From 23rd May to 27th May 2016

Highest Y2 Owls = 97.6%

Golden Book Awards

- Pampering- face painting, hair plaiting, nails. Please donate any nail varnish, hair bands & face paints you do not want as above. **If you do not wish your child to have their face or nails painted please let your child's teacher know before Friday 10th.** If I remember the school disco correctly this is likely to be very popular with our Y6 boys!
- Paper craft
- Healthy Tuck shop- fruit, juice, cereal bars to buy at playtime. None of these items will include nuts.
- Dragon's Den

Queen's Birthday Celebration

We will be having a special picnic lunch on Friday 10th (hopefully outside) which will be provided by the kitchen, if your child usually has packed lunch you will be able to choose the special picnic lunch on this day. FOSA have kindly agreed to help us by decorating the outside area with bunting and to set up the tables outside for this. During the afternoon the children will rotate various activities such as games and crafts. There will also be a picnic of scones with jam and juice.

If there are any parents who are free on this day and would like to help please let the office know. Thank you.

Big Bad Wolf

As part of our book week back in March every class did some writing on the theme of the Big Bad Wolf. These pieces of work have been made into a book by Scholastics Books and it looks very professional. The book has now been edited and is available to order. The book costs £6, a preview of the finished product will be available to parents to see during the first week back and order forms will be sent out after half term.

Reminder

I have spoken to the children regarding why we have rules about not playing football, being on the climbing frames or using scooters/ bikes before and after school. It is not to spoil their fun, it is to keep toddlers (and parents) safe from being hit by a ball or knocked over by a bike or scooter. Children should be lining up by 8:55 at the latest so that they are ready to go into class promptly at 9am to begin their learning. Please could you support this by reminding them of the rules.

Thank you, I hope you have a lovely half term break.

Mrs Brandon, Interim Head of School
